

Thank you for your interest in partnering with us!

We are the Portland Chapter of the American Association of Dental Office Managers. Our members include dental front office staff, office managers and dentists. The mission of our Chapter is to provide up to date information on the day to day tasks, topics, and problems that dental staff face. Our agenda includes speakers presenting on hot topics and current issues as well open group discussions, and workshops.

Our chapter holds four in-person meetings yearly with opportunities for sponsors to present and display their services. Sponsorship also includes marketing opportunities on our meeting flyers, website and social media.

We are excited to extend this invitation for you to join our chapter as one of our sponsors. We have several sponsorship opportunities that we would love to discuss with you. We welcome yearly sponsorship as well as single meeting, or product sponsorship.

Please email us at [pdxaadom@gmail.com](mailto:pdxaadom@gmail.com) or call Betsy Cord at 971-236-1635 for more information. Thank you for your consideration in sponsoring our chapter. We look forward to speaking to you!
